

Letter from the Executive Committee

Friends and Colleagues,

16.09.2012

Firstly we are thankful to all the members for having sent the annual subscription details from your units. As on date we have received details from 178 units (**Column.1**). We are sure that this tremendous response from the units at a particularly bad phase is due to the commitment of several key members & office bearers all over India. The response reposes faith in the fact that any Association can be strong and vibrant only when its field units are responsive. We once again thank the members and all the enthusiastic office bearers.

The Central Executive Committee of our Association in its meeting on 14.09.2012 decided to upload all the details of payments received till date towards subscription so as to keep the members informed. Hence the details have been painstakingly collected & compiled as two columns. **Column number.2** gives the details of the amount received, originating station / Kendra, Cheque/DD details and the date on which the money was credited. **Column number.3** has the details of the amount, credited date and cheque / DD details but does not have the station / Kendra from which the money has been received. We request all the units to go through column.3 and let us know if the money is from their unit and if so to kindly mail us the bank receipt for payment. The details are required as it is mandatory to disclose the source of income while auditing our accounts.

Members are also requested to send the amount as one lot of Rs.10 (Rs.Ten) multiplied by months left in this financial year. This is necessary as some of the units are sending us DD every month for an amount of Rs.10 per member which becomes cumbersome for us while submitting it in the Bank.

The members of the CEC also expressed the view that the MACP for left out PEX's & TREX's should be pursued with the concerned section so as to get the orders issued at the earliest. The CEC also felt that the Association should try to organize a General Body meeting preferably before November,2012.

COLUMN.1

Details of Stations / Kendra's from which subscription for PSA has been received (178 Units)
