Sub: Peaceful, Silent March by our Association on 11th March.
Ref: Meeting with your kindself on the same day.

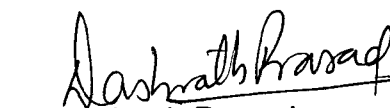

Sir,

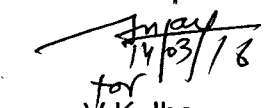

We are thankful to your kindself for having met a small delegation of our members on 11th, and reassured them on the three issues raised by our Association during the Peaceful March and subsequent Fast-cum-Meeting. We have also appraised our Members all over the country of the meeting and the earlier meeting with CEO as well on the 9th (Establishment Council Meeting). We request your kindself to issue suitable instructions to fasttrack results on the following three issues assured during the meeting with your kindself and the earlier meeting with the CEO on 9th.

- Prasar Bharati shall complete the JAG DPC for the serving 8 STS rank officers in IBPS within 3 months from receipt of Ministry's approval on composition of the DPC.
- Prasar Bharati shall issue ad-hoc Promotion orders to the stagnating senior PEXs as early as possible, pending their regular DPCs, and
- DG-AIR shall undertake the PEX DPC for promoting the PEX in-situ to the DR vacancies.

We also pray that Prasar Bharati facilitate convening all the pending DPCs in JTS cadre from 1990 onwards, and holding of consequential DPCs in IBPS. In the meantime, Prasar Bharati may consider deferring appointments of deputationists / ex-cadre Officers to IBPS vacancies. We also request that the minutes of the Establishment Council meeting of 9th March may kindly be issued at the earliest.
