Respected Sir,

I wish to thank your kindself and the officers involved in release of the Kisan Vani budget last week , as it has helped in smoothening the functioning of the Units in 96 stations.

I also wish to submit a suggestion that has been passed on to me from some of our members in DD concerning the DD Retro channel. Many of the Programmes produced at DD Kendras over the last 6 decades may have been lost due to a variety of reasons. However, many participants (Artists, Script writers, actors etc) in those programmes or producers of those programmes may have copies (Films, VHS, CD, DVD etc) saved in their personal collection. These programmes could be accessed by issuing a general circular inviting them to submit copies if any (along with available meta data) on gratis as the programmes belong to DD. These programmes after restoration could also be uploaded, as it will draw a lot of viewers due to their legacy value.

Submitted for consideration.
