Respected Sir,

I wish to whole heartedly thank your kindself on behalf of the Programme staff working all over our country in AIR & DD Stations for the 3 ADP ( JTS ) DPC orders in IBPS in the last 3 years – **14.09.2018, 10.04.2019 and 20.05.2020** respectively, by which DPCs in the Assistant Director Cadre of Indian Broadcasting Programme Service had been successfully convened and results issued for the vacancy years from 1994 – 2019.

This 25 year DPC problem for which a solution had eluded 5 past CEOs of Prasar Bharati all of whom were seasoned IAS Officers with many credits in their Administrative careers, had been simmering in different courts of India. Your kindself had somehow delivered on your promise with a large section of the staff on 03.10.2018 to overcome the problems & issue the orders.

Our Association wishes to thank all those officers in PBRB headed by **Ms.Mukta Goel ADG-HR and Sh.Dinesh Mahur ADG** for their having motivated and carried forward your promise, even at time like now when offices are working with skeletal staff and several limitations due to COVID-19. We wish to also profusely thank **Sh.Kanwarjeet Singh DDA-P** Akashvani and his Team in bringing this huge problem of JTS DPCs ( IBPS ) upto date and to a logical & fruitful conclusion. Your Kindself's good working relationship & rapport with the Ministry of Information & Broadcasting helped vastly in the proposal being cleared by the Ministry.

**Words would be very poor substitute to express our gratitude to these DPC results , but nevertheless Please accept our THANKS. Several Progamme Staff had retired over the last 25 years with out a single promotion, inspite of vacancies & their eligibility to be considered for promotion. However the above mentioned 3 orders helped hundreds of them retire with dignity as a Group-A officer. THANK YOU SIR.**

R.Srinivasan, President PSA of AIR &amp; DD.
