

A mischievous campaign by vested interests

Friends,

Please find attached a mail being anonymously circulated by vested interests who wish to see all the Group-A posts in IBPS remain vacant for reasons best known to them. In this regard, the mail makes it look as though PSA is trying to lead employees in a direction where they shall lose their government servant status. In this connection the following clarifications are given to set right the disinformation,

1. PSA was an active member of NFADE, which had won us all the Government servant status. **The government servant status has now been confirmed as a sequel to the amendment to Section.11, brought out on 08.01.2012 as a Notification.** Hence, any employee (upto 05.10.2007) losing his government servant status now does not arise and **PSA is fully committed to protecting this central government employee status.**
2. When the entire **Programme cadres which forms the core cadre in the department is being decimated by way of legal cases, stagnation and infighting, PSA cannot be a mute spectator.** The most **common aspiration among all sections of the Programme cadres all over the country is for promotions,** and PSA is trying for it through various means including Legal cases, agitation, VVIP references, Cadre review efforts etc, and the recent letter is one more way to resolve the stagnation crisis. **How would any pre-2007 employee loose his government servant status, when it has already been guaranteed by the notification of 08.01.2012, that they will continue to be government servants till retirement.**

3. The very letter being circulated now and that too **anonymously** when Programme DPC's are looking like a reality raises doubts on the motive behind this mail and its authors.
4. **When hundreds of Programme staff have retired with out a single promotion and Programme staff are being humiliated day in and day out in hundreds of field stations for want of sufficient Group-A (IBPS) officers, PSA cannot watch as a silent spectator.** When JTS adhoc and STS adhoc to adhoc promotions were granted by Prasar Bharati last year, there were similar campaigns to reject the promotions. Hence there is nothing strange about this mail.
5. It is requested that the authors of the mail should try their best to put pressure on the Ministry and the department to hold all the pending IBPS DPC's so as to improve Programme administration at Field stations / kendras. **That will be in the best interest of all the employees of this great department.**

LONG LIVE PSA.

LONG LIVE UNITY

CENTRAL UNIT OF PSA.
